

WCPSS School Trip Attestation Form
COVID-19 GUIDANCE | Last updated 2/10/22

In an effort to ensure the safety of students and staff while engaging in school sponsored trips, students will adhere to WCPSS safety protocols that are aligned with their individual activity (field trips, Fine Arts, Athletics, etc.). Students and parents must attest to understanding and agree to comply with the following requirements:

COVID-19 School Trip Protocols

At-home screening criteria:

- Students must stay home, and will not be allowed to participate in the school trip, if:
 - They have been diagnosed with COVID-19 or exposed to someone who has been diagnosed with COVID-19 and have not met [requirements to return](#);
 - They or a household member have been tested for COVID-19 and are waiting for results;
 - They have a temperature of 100.4 degrees or higher; or
 - They are experiencing other symptoms of COVID-19 listed on wcpss.net/covid19

COVID-19 health and safety requirements:

- All WCPSS COVID-19 health and safety requirements that are applicable to activities on WCPSS property must continue to be followed while on the trip. If the off-campus destination has health and safety requirements that are different from WCPSS requirements, students must follow the “most restrictive rule.”

Process if student becomes symptomatic during a school trip:

- Students who experience symptoms during a school trip will be immediately isolated and provided with a face covering if they do not already have one.
- Symptomatic students will be required to wear the face covering both indoors and outdoors unless they have an approved accommodation due to developmental, medical, or behavioral health needs; are having trouble breathing or are unconscious; or are incapacitated or otherwise unable to remove the face covering without assistance.
- If isolation is not possible, the symptomatic student will be kept at least 6 feet away from other students.

A WCPSS staff member will contact the student’s parent/guardian or emergency contact, who must pick the student up from the school trip site (including out-of-state trips) immediately.

By sending your child on a school trip, you are attesting to the following:

- You and your child have read, understand, and agree to comply with the COVID-19 Field Trip Protocols;
- You and your child have read, understand, and agree to comply with any requirements established by the airline or other transportation carrier;
- You have screened your child on the day of the trip, and they do not meet any of the screening criteria above; and
- If your child becomes symptomatic during the school trip, including overnight/out-of-state trips, you or your emergency contact will pick them up immediately.

Check here if this is an overnight trip that requires a stay at a hotel.
